RE-ELECTION OF RETIRING DIRECTORS
RE-APPOINTMENT OF AUDITOR
AND
NOTICE OF ANNUAL GENERAL MEETING**

INTRODUCTION

The purpose of this circular is to give you notice of AGM and provide you with information on the following matters to be dealt with at the AGM: (i) the grant of general mandates to repurchase shares and to issue shares; (ii) the re-election of the retiring Directors; and (iii) the re-appointment of the auditor.

LETTER FROM THE BOARD

GENERAL MANDATE TO REPURCHASE SHARES

A general mandate for repurchase of the Company's own shares was granted by the Shareholders at the AGM held on 27th August 2025. This general mandate will lapse at the forthcoming 2026 AGM unless the authority is renewed by ordinary resolution at that meeting. At the 2026 AGM, an ordinary resolution will be proposed to grant a general mandate to the Directors to exercise the powers of the Company to repurchase shares of the Company up to a maximum of 61,753,142 shares, being 10% of the aggregate number of shares of the Company in issue (excluding any Treasury Shares) at the date of the passing of the resolution (the "Repurchase Mandate") on the basis that no further shares are issued or repurchased prior to the 2026 AGM. The Directors have no present intention to repurchase any shares. Details of the Repurchase Mandate are set out in the ordinary resolution no. 5 in the notice of AGM.

Information relating to the Repurchase Mandate as required by the Listing Rules is set out in Appendix II hereto.

GENERAL MANDATE TO ISSUE SHARES

It will be proposed at the 2026 AGM two ordinary resolutions (i) granting to the Directors a general mandate to allot, issue and deal with shares of the Company (including any sale or transfer of Treasury Shares out of treasury) not exceeding 123,506,285 shares, being 20% of the aggregate number of shares of the Company in issue (excluding any Treasury Shares) at the date of the passing of the resolution (the "Issue Mandate") on the basis that no further shares are issued or repurchased prior to the 2026 AGM; and (ii) extending the Issue Mandate by adding to it the number of shares repurchased by the Company under the Repurchase Mandate. The Issue Mandate will provide the Company the flexibility to make such issue when appropriate and beneficial to the Company. The Directors have no immediate plans to issue new shares. Details of the Issue Mandate and extension of the Issue Mandate are set out in the ordinary resolutions no. 6 and 7 respectively in the notice of AGM.

ANNUAL GENERAL MEETING

Notice of AGM is set out on pages 11 to 14 of this circular. A form of proxy for use at the AGM is enclosed with this circular. Whether or not you intend to be present at the meeting you are requested to complete the form of proxy and return it to the Company's branch share registrar in Hong Kong in accordance with the instructions printed thereon not less than 48 hours before the time fixed for holding that meeting.

Completion and return of the form of proxy will not preclude you from attending and voting in person at the meeting if you so wish and in such event, the form of proxy will be deemed to be revoked.

Pursuant to Rule 13.39(4) of the Listing Rules, any vote of Shareholders at a general meeting must be taken by poll. The Chairman of the 2026 AGM will exercise his power under Bye-law 63(1) of the Bye-laws to put each of the resolutions to be proposed at the 2026 AGM to the vote by way of a poll.

LETTER FROM THE BOARD

RE-ELECTION OF THE RETIRING DIRECTORS

The Board adopted a Director Nomination Policy. The Nomination Committee shall nominate suitable candidates for directorships to ensure that the Board has a balance of skills, experience and diversity of perspectives appropriate to the requirements of the Company's business, while taking into account of board succession planning consideration and strategies for the ongoing effective performance of the Board as a whole. The ultimate responsibility for selection and appointment of directors rests with the entire Board.

Pursuant to Bye-law 84 of the Bye-laws, Mr. Karl Chi Leung Kwok, Mr. Patrick Chi Kwong Wong and Mr. Wing Sau Li will retire by rotation at the 2026 AGM and, being eligible, offer themselves for re-election. The Nomination Committee, having reviewed the Board's composition, nominated Mr. Kwok, Mr. Wong and Mr. Li to the Board for it to recommend to Shareholders for re-election at the AGM. The retiring Directors were assessed by the Nomination Committee against the criteria and provisions set out in the Director Nomination Policy as well as the diversity aspects set out in the Board Diversity Policy.

Mr. Kwok has served as an Independent Non-executive Director of the Company for more than 9 years. Pursuant to code provision B.2.3 of the Corporate Governance Code in Appendix C1 to the Listing Rules, his further appointment should be subject to a separate resolution to be approved by Shareholders. During his years of appointment, Mr. Kwok has demonstrated the attributes of an independent non-executive director by providing independent views, advice, valuable perspective to the Board on matters relating to the business of the Group. Moreover, there is no evidence that his tenure has had any impact on his independence. Further, the Board is of the view that Mr. Kwok meets the independence guidelines set out in Rule 3.13 of the Listing Rules and is independent in accordance with the terms of the guidelines. The Board is satisfied that he has the required character, integrity, independence, skills and experience to fulfill the role of an independent non-executive director and contribute to diversity of the Board appropriate to the requirements of the Company's business. Therefore, the Board recommends Mr. Kwok for re-election at the 2026 AGM.

Details of the retiring Directors proposed to be re-elected at the AGM that are required to be disclosed under Rule 13.51(2) of the Listing Rules are set out in Appendix I hereto.

LETTER FROM THE BOARD

RE-APPOINTMENT OF AUDITOR

PricewaterhouseCoopers will retire as the auditor of the Company at the 2026 AGM and, being eligible, offer themselves for re-appointment. Upon the recommendation of the Audit Committee of the Company, the Board proposes to put forward an ordinary resolution at the 2026 AGM for the re-appointment of PricewaterhouseCoopers as the auditor of the Company to hold office from the conclusion of the 2026 AGM until the next AGM and to authorize the Board to fix the remuneration of the auditor for the financial year ending 31st March 2027.

The estimated audit fee payable to PricewaterhouseCoopers for the audit of the consolidated financial statements of the Group for the financial year ending 31st March 2027 is expected to be approximately HK\$1.8 million, which is consistent with the audit fee for the financial year ended 31st March 2026. Such fee has been determined after due consideration and arm's length negotiations between the Company and PricewaterhouseCoopers, taking into account, among other things, the size, nature and complexity of the Group's business operations, the expected audit scope, the audit timetable and the auditor's resources required. The estimated audit fee is considered to be fair and reasonable after due consideration of the facts and circumstances known as of the Latest Practicable Date.

The audit fee is estimated based on the assumption that there will be no material changes in the Group's operations, accounting policies or regulatory environment during the financial year ending 31st March 2027, and that the Company will provide timely and adequate assistance and information as reasonably required for the purposes of the audit. The final amount of the auditor's remuneration will be further discussed and determined by the Board on a reasonable basis. In the event of any material change, the Company will make further disclosure as appropriate.

RECOMMENDATION

The Board considers that the resolutions set out in the notice of AGM are all in the interests of the Company and its Shareholders. The Board would recommend that all Shareholders should vote in favour of the proposed resolutions.

Yours faithfully,

David Pun Chan

Chairman

This explanatory statement contains all the information required by the Listing Rules on repurchase of shares:

Share Capital

As at the Latest Practicable Date, the issued share capital of the Company comprised 617,531,425 shares of HK\$0.10 each.

Subject to the passing of the ordinary resolution to approve the Repurchase Mandate and on the basis that no further shares are issued or repurchased prior to the 2026 AGM, the Company will be allowed under the Repurchase Mandate to repurchase a maximum of 61,753,142 shares, being 10% of the aggregate number of shares of the Company in issue (excluding any Treasury Shares) at the date of the passing of the resolution.

The Company may cancel such repurchased shares or hold them as Treasury Shares, subject to market conditions and its capital management needs at the relevant time of the repurchases.

For any Treasury Shares deposited with CCASS pending resale on the Stock Exchange, the Company shall (i) procure its broker not to give any instructions to Hong Kong Securities Clearing Company Limited to vote at general meetings of the Company for the Treasury Shares deposited with CCASS; and (ii) in the case of dividends or distributions, withdraw the Treasury Shares from CCASS, and either re-register them in its own name as Treasury Shares or cancel them, in each case before the record date for the dividends or distributions, or take any other measures to ensure that it will not exercise any Shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those shares were registered in its own name as Treasury Shares.

Shareholders' Approval

All repurchase of shares must be approved by Shareholders in advance by means of an ordinary resolution, either by way of a general mandate or by specific resolution in relation to specific transactions.

Reason for the Repurchase

Repurchase of shares will only be made when the Directors consider that it will benefit the Company and its Shareholders. Such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value and/or earnings per share.

Source of Funds

Repurchases must be financed out of funds legally available for the purpose in accordance with the Memorandum of Association and Bye-laws and the laws of Bermuda. The laws of Bermuda provide that the amount of capital repaid in connection with a share repurchase may only be paid out of either capital paid up on the shares to be repurchased, or the profits that would otherwise be available for dividends or distribution or the proceeds of a fresh issue of shares made for that purpose. The premiums payable on repurchase must only be paid out of either the profits that would otherwise be

available for dividends or out of the share premium or contributed surplus account of the Company. It is envisaged that any repurchase of shares by the Company would be financed out of the same sources of fund as above described.

There might be material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited consolidated financial statements contained in the annual report for the year ended 31st March 2026) in the event that the proposed Repurchase Mandate were to be exercised in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

Restrictions for the Repurchase

A maximum of 10% of the fully paid-up issued shares of the Company at the date of the passing of the resolution authorizing the Repurchase Mandate may be repurchased on market.

General

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their close associates have any present intention to sell any shares to the Company under the proposed Repurchase Mandate if such is approved by the Shareholders.

The Company has not been notified by any “core connected persons” (as defined in the Listing Rules) that they have a present intention to sell any shares to the Company, or that they have undertaken not to do so, in the event that the proposed Repurchase Mandate is approved by the Shareholders.

The Directors will exercise the power of the Company to repurchase shares pursuant to the Repurchase Mandate in accordance with the applicable laws of Bermuda and the Listing Rules.

The Company confirms that neither this Explanatory Statement nor the proposed share repurchase under the Repurchase Mandate has any unusual features.

Effect of the Takeovers Code and Minimum Public Float

As at the Latest Practicable Date, Mr. David Pun Chan together with his parties acting in concert (i.e. including Ms. Ivy Sau Ching Chan) were interested in 297,609,131 shares, representing approximately 48.19% of the issued share capital of the Company. In the event that the Directors exercise in full the Repurchase Mandate, their collective shareholdings would be increased to approximately 53.55%, the resultant increase in voting rights held by Mr. David Pun Chan and parties acting in concert with him will give rise to an obligation to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code. However, the Directors have no present intention to exercise the Repurchase Mandate to such extent as would give rise to such an offer obligation. The Directors do not propose to repurchase shares to such an extent as would result in the aggregate number of shares in public hands falling below the relevant prescribed minimum percentage required by the Stock Exchange.

Repurchase Made by the Company

The Company has not purchased any of its shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.

Share Prices

The highest and lowest prices at which the shares of the Company have traded on the Stock Exchange in the past twelve months preceding the Latest Practicable Date were as follows:
